In addition to my paper work I have a police report with the Salisbury Police dept. and I spoke with Curtis Gagliolo however, he did not call me back or what these feeds keep erasing my government phone (SafeLink) messages. Is it possible that one could assure an investigation; my mother is senior as and doesn't believe she is being broken into and refuses to get FBI although I was going to pay. Their are government cams & bugs throughout the house and they must be removed immediately. They are also outside the house. This was accomplished before moving in and also by family infiltrators such as my nephew's girlfriend Elisa who is definitely in conspiracy.
